

# How to set up a Team Drive

Open [www.roonga.com/runningstart2024](http://www.roonga.com/runningstart2024)

1. Hit "Launch Team Drive"

Launch New Drive

2. Log in to your previous account if you have set up a team drive before OR create a new log in.

To start a team drive, register or log in using one of these options:

Brand new to Roonga? Create an account and register your team.

Previously ran a team drive? Log in with your team account.

3. Fill out the information about your organization/team so your supporters know more about you!

Tell Us About Your Team | Edit Team Drive | Select Drive Target

Organization Name\* United Way of Olmsted County

Organization Description\*

United Way of Olmsted County unites people and resources to improve lives in the community with a focus on education, income, health, and basic needs - the building blocks for a good quality of life.

4. Name your drive and your organization/team (again). Describe your why your organization/team is supporting Running Start. Create a shorter/personalized URL for your team drive. Add any pictures you have of your organization/team members.

The screenshot shows a form titled "Describe Your Team Drive" with the following fields and options:

- Drive Name\***: A text input field with the placeholder "Type here..."
- Team Name\***: A text input field with the placeholder "Type here..." and a note below it: "You may choose a team name that is different from your organization name (e.g., "Company ABC's Rock Star Community Service Group")"
- Description**: A rich text editor with a toolbar containing icons for bold, italic, text color, background color, font family (Rubik), font size, bulleted list, numbered list, link, unlink, and a "GO" button.
- Friendly URL\***: A text input field containing the example "www.roonga.com/"
- Media\***: A dashed box containing an "Upload Photo" icon and text.
- At the bottom, there is a checkbox labeled "I do not have pictures to upload - use the pictures displayed in the main drive."

5. Set a goal (dollar amount or backpack amount) for your team drive.

The screenshot shows a form titled "select drive target" with the following options and fields:

- Select\***: Three radio button options:
  - Set target based on total dollar value
  - Set target based on total number of items purchased
  - Select specific items and quantities
- Enter Amount (\$)**: A text input field, currently empty.
- No of items**: A text input field, currently empty and disabled.
- Launch**: A large orange button at the bottom.

6. Hit launch and start spreading the word to reach your goal!
