

IN YOUR TOWN: PINE ISLAND

IN THE PAST YEAR, UNITED WAY OF OLMSTED COUNTY HAS:

IMPROVED FOOD SECURITY FOR 69 PEOPLE

United Way Food Security grants ensure that Olmsted County residents have access to healthy, culturally appropriate, nutritious foods. That way, families' basic needs are met, and children aren't going to school hungry.

PROVIDED EDUCATIONAL SUPPLIES TO 34 CHILDREN

We're providing resources to families to promote learning and development. Our Running Start for School Program works with schools across Olmsted County to ensure kids have the supplies they need to start the school year strong. As the sole provider of Dolly Parton's Imagination Library in Olmsted County, we provide free books delivered monthly to kids across Olmsted County.
