FREQUENTLY ASKED QUESTIONS

1. The requirements state that I must complete at least 40 hours in a “non-school activity”. What type of volunteer work counts as a non-school activity?

Volunteer work must be completed with a non-profit organization with a 501(c)(3) status. Listed on page 4 are just a few ideas; there are many ways to volunteer in your community. If you have further questions or need ideas, please visit Get Connected at: <http://volunteer.uwolmsted.org/>

If you're uncertain about whether volunteer work you're doing could be counted towards the Varsity Letter in Community Service, please email sonjas@uwolmsted.org or call 507-535-5509 to verify before you start.

2. The requirements state that I have to complete at least one “school activity”. What types of volunteer work count as a school activity, and how many hours do I need?

The following is a list of activities that can be done in school. These are just a few ideas, not a complete list. Again, if you are uncertain if an activity counts, please email sonjas@uwolmsted.org or call 507-535-5509 to verify before you start.

- *Participating in a community service project through a school club (National Honor Society, Key Club, etc.)*
- *Assisting a teacher before, during, or after school, or during the summer*
- *Assisting at sporting events, concerts, theater productions (if not required for a class)*
- *Tutoring peers through a school tutoring program (If tutoring hours are performed, please list the school volunteer supervisor as the contact, not the tutee or the tutee's parent/guardian).*

There is NO hour requirement for school-related activities. Sometimes, work done through a school group can be counted as school related OR non-school related work. For example, if the work was done with an outside organization (e.g. Participating in Relay for Life as a Key Club member), you may count the hours where you need them.

3. Who should I list as my supervisor?

Your advisor is the adult supervisor, mentor, or advisor that has supervised your volunteer work and can verify that you volunteered with their group or organization. You MAY NOT list a student or peer as your contact supervisor.
